Good afternoon Steven,
I am not sure if I sent these after we spoke in September... but these are the other two that are completed and sent to Electron already. I will be out there tomorrow with another inspector too.
Call if you have any questions.

Best regards,
Carol

Carol,

I just wanted to check in on the construction stormwater permit. How is Electron doing on that end of things? Where there many violations, or have there been? My management wanted a quick update. Did you send any notice of corrections?

Thanks,

Steven
